2. ELIGIBILITY

While all valid and active Cards are automatically included in the Program for the purposes of accumulating

Rewards, only the Primary Cardmember is eligible for the benefits of the Program and to redeem Rewards. The Program is a benefit that comes with your Card and is offered at no extra cost to you.

Only one Brim Rewards Account will be set up for each Account. This means that all Rewards earned by both the Primary Cardmember and any Additional Cardmember will be credited to the one Brim Rewards Account.

3. EARNING BRIM REWARDS

You can earn Base Rewards and Open Rewards when using your Card:

(a) Base Rewards:

Rewards are earned on Net Purchases. Rewards are earned on a per transaction basis as long as the Account is in good standing and are reflected in your Brim Rewards Account as set out below.

Rewards will be calculated as follows:

Brim Mastercard:

- 1 point for every dollar (**\$1**) of Net Purchases made on your Card in Canadian dollars (which is equal to a reward value of **1.00%** based on a standard redemption rate of 100 points for **\$1** of Net Purchases)

Brim World Mastercard:

- Up to **\$25,000** in Net Purchases, **1.5** points for every dollar (**\$1**) of Net Purchases made on your Card in Canadian dollars (which is equal to a reward value of **1.50%** based on a standard redemption rate of **100** points for **\$1** of Net Purchases)
- At **\$25,000** or more in Net Purchases, **1** point for every dollar (**\$1**) of Net Purchases made on your Card in Canadian dollars (which is equal to a reward value of **1.00%** based on a standard redemption rate of **100** points for **\$1** of Net Purchases)

Brim World Elite Mastercard:

- Up to **\$25,000** in Net Purchases, **2** points for every dollar (**\$1**) of Net Purchases made on your Card in Canadian dollars (which is equal to a reward value of **2.00%** based on a standard redemption rate of **100** points for **\$1** of Net Purchases)
- At **\$25,000** or more in Net Purchases, **1** point for every dollar (**\$1**) of Net Purchases made on your Card in Canadian dollars (which is equal to a reward value of **1.00%** based on a standard redemption rate of **100** points for **\$1** of Net Purchases)

Rewards are calculated on the Canadian dollar amount of Net Purchases and rounded to the nearest cent. Rewards are reflected as soon as the next business day in your Brim Rewards Account which can be viewed online by logging into your Account through brimfinancial.com and selecting Brim Rewards or in the Brim mobile application. However, Rewards are earned and available for redemption once the Net Purchase for which the Rewards are earned is posted to the Account Statement.

\$25,000 thresholds are considered on a calendar year basis.

Rewards credited to your Brim Rewards Account on any Eligible Purchase made with your Card that you subsequently return will be adjusted and reflected in your Brim Rewards Account. Your Brim Rewards Account balance will be reduced by the number of Rewards equivalent to the amount originally credited. You should be aware that in some cases your Brim Rewards Account balance may become negative. In such case, if Rewards are earned in the future, they are first used to offset the negative balance. In the event that your Account is closed or becomes inactive for **90** days and your Brim Rewards Account Balance is negative, then Brim may charge your Account for an amount calculated on the basis of **\$0.01** per negative point which will be posted to your Account as a Purchase. We accept no liability for any errors in the Rewards balance in your Brim Rewards Account. If any Rewards are awarded to your Brim Rewards Account in error, we reserve the right to deduct the number of Rewards awarded in error at any time, and without notice to you. We are not obligated to honour a request to redeem Rewards added to a Brim Rewards Account in error.

Rewards cannot be earned after the date your Account is closed or the date the Program is terminated.

In the event of a dispute about the amount of your Rewards earned, redeemed or deducted, our record of all Rewards will be considered conclusive unless you notify us of any discrepancy within **30** days of your statement date. You must notify us of any discrepancy at

1-866-305-2746 (BRIM) Canada and USA and

647-251-2746 (BRIM) (collect) elsewhere.

Alternatively, you may notify us by mail at the following address:

(b) Open Rewards

Brim may offer you the opportunity to step up the number of points your Brim Rewards Account earns either per **\$1** of Eligible Purchases at a specified merchant partner or as a multiple of your usual Base Rewards. Any such Open Rewards offers will be applicable to Eligible Purchases made with specified merchant partners and will be subject to any terms and conditions set out in the offer. Where such an offer applies, it will replace rather than add to the Base Rewards set out under Section **3.(a)**. The **\$25,000** threshold set out in Section **3.(a)** will not apply to Open Rewards offers under this Section **3.(b)**. You can earn an unlimited and uncapped number of points with Open Rewards.

Brim may communicate offers via email, in-app notification, mobile text message, in monthly statements or at brimfinancial.com.

4. REFERRAL BONUSES

Brim may offer referral bonuses in the form of points from time to time. To receive a referral bonus, your Account must be in good standing. You agree to only make recommendations to known friends and family members with whom you have a relationship and who have confirmed to you that they want to receive this communication. You must not send recommendations to people you do not know. You agree that other cardmembers on your Account may also make and send recommendations. Additional terms and conditions will be set out in the promotional materials and Brim's Referral Program Terms and Conditions which are available at brimfinancial.com.

5. REDEEMING REWARDS

Rewards can be redeemed towards Net Purchases or against your Account Statement balance using the Brim website or mobile application. The standard redemption rate would allow **100** points to be redeemed for **\$1** of Net Purchases, provided that in some cases the redemption rate could be higher (the higher redemption rate would be indicated where applicable). Rewards can be redeemed starting at **\$1**. To redeem rewards, log into your Account through brimfinancial.com or through the Brim mobile application. The Brim mobile application may not be available on all devices, and is subject to additional terms and conditions. Once logged in, select the Redeem Rewards option, and your selected Net Purchase made using your Card will be paid with rewards from your Brim Rewards Account up to the full amount of your Net Purchase or the full balance of your Brim Rewards Account, whichever is less.

You may also select to apply your points as cashback, and your Account Statement balance will be paid with points from your Brim Rewards Account up to the full amount of your Account Statement balance or the full balance of your Brim Rewards Account, whichever is less.

Only the Primary Cardmember is authorized to log in and view points in their Brim Rewards Account and redeem Rewards.

The Primary Cardmember may call Brim at **1-866-305-2746** (BRIM) Canada and USA or **647-251-2746**

(BRIM) (collect) elsewhere and request that their Rewards be credited to their Account. This will occur no more than two billing cycles from the date of the call.

Reward redemptions are reflected as soon as the next business day in your Brim Rewards Account and, on a monthly basis, as credits on your Account Statement.

6. USE OF PERSONAL INFORMATION

Brim may exchange Program and Account related information about you with other parties, such as participating partners, merchants or service providers, as required to administer the Program.
